The abbreviation of the election circle, maximum of 4 characters, optional

### REPRESENTATIVE

*According to the section 33 of the Student Union administrative regulations, the representatives of an electoral alliance or an election circle have the right to attend those meetings in which the master list of candidates is drawn up, ballot papers are either arranged or counted, or the result of the council elections is confirmed.*

*According to the section 10 of the Student Union electoral regulations, the representative of an electoral alliance or an election circle or a person who has submitted the candidate declaration form must be informed without delay if the election documents include any errors or an absence of necessary information. The representative must answer to the Central Election Committee or make the appropriate adjustments by the 19th day before the election day.*

The name of the representative	Phone number
Adress	Postal code
Place and date	Signature of the representative

According to section 7 of the Student Union election regulations, an election circle can be formed by at least one electoral alliance and at least one candidate or at least two electoral alliances. A candidate can be a part of only one electoral alliance and one election circle. An electoral alliance can be a part of only one election circle. In an election circle, the maximum amount of members is twice the amount of council members elected in the elections. The constituent document of the election circle will be drawn up on a printed form approved by the Central Election Committee.

The use of inappropriate or misleading names or mottos in the election documents is prohibited.

The names of the members of the alliance in the order in which they are to appear on the master list of candidates.

The election documents must be submitted to the Student Union's office at the latest on Wednesday the 16th of October 2019 by 12:00 pm. Documents delivered by mail must also have arrived by this time.
